

BIOGRAPHY

Tameka Bramwell, Bramwell Partners

Tameka is Director and Senior Consultant in Bramwell Partners, a consultancy practice servicing businesses in Human Resources, Workplace Safety and Quality Management Systems.

Tameka's business background includes General Manager for her family Transport business for 17 years. Tameka grew her family business from a Queensland based business to over 65 employees servicing Qld, NSW & NT. She has a Bachelor Degree in Business with a Double Major in Management and HR.

Tameka is passionate about developing collaborative business partner relationships, focused on helping businesses grow and prosper. Tameka does this both in her consultancy business, Bramwell Partners, and through her work with BNI. For 3 Years Tameka held an executive role within BNI where her focus was around making a difference and adding value which are 2 of her personal core values. Tameka continues to be active within the BNI network.

Tameka believes in giving back to the community and volunteers her services at the Ann St Presbyterian Church where she supports members of the church in the search for employment.

For over 25 years Tameka has been passionate about the value of systems in supporting sustainability in businesses. Tameka uses her first hand business knowledge to support business in the development, implementation and management of relevant and appropriate systems to support business growth.
