

WELCOME TO

Brisbane North Chamber of Commerce

President's Welcome

Download the Unified AR app and scan Simon's image above to watch a film about BNCC

Welcome to Brisbane North Chamber of Commerce.

Brisbane North is home to more than 15,000 businesses and 200,000 residents. Boasting an international airport, university and four major retail hubs, Brisbane North is a vital economic cog in South East Queensland's economy.

As a not-for-profit member-led and run organisation we are committed to connecting, celebrating and advocating on behalf of our members. From sole traders to large corporations members of BNCC are part of a growing and vibrant business community.

Year on year our event registrations are increasing by more than 20% and our membership sales have risen by more than 16%.

There are many different ways members are involved with the chamber, including attending monthly events, sitting on our executive committee, and supporting our work with northside schools and the local community.

As a chamber we offer our members educational workshops, Night Owls networking events, Signature Events with high profile guest speakers and advocacy support through our work as a conduit to Government and major decision makers.

Whether you're just starting out in business or part of an established organisation we hope you will join us as we continue to realise our vision to build a business community to support each other.

A handwritten signature in black ink that reads "Simon Penrose".

Connecting

Our monthly **Night Owls** networking events serve to bring the business community together in an informal and relaxed setting. During 2019 the chamber welcomed **120 new visitors** to Night Owls, many of whom have since joined BNCC. Each month different companies and organisations take on the responsibility of sponsoring and presenting at Night Owls.

Celebrating success through major events

At the pinnacle of our events program BNCC's Signature series offers members the opportunity to **meet, network and hear from leading figures** from across business, politics and the community.

BNCC Signature Events include an **Economic Update** breakfast held each May to coincide with the federal budget; a celebratory event in March for **International Women's Day**; as well as our major **Pink Ribbon** fundraising event held annually each October.

In 2019 BNCC launched the **Northside Business Leaders Lunch**, welcoming the Lord Mayor of Brisbane, Adrian Schrinner, as our inaugural guest speaker.

Business in the community

At Brisbane North Chamber of Commerce we see local business as an integral part of the local community. The Chamber supports and promotes numerous charitable initiatives including **Pink Ribbon** month, the annual **Red Run, Share The Dignity** and **Burnie Brae**.

We are also committed to supporting our future business leaders. **BNCC sponsors the Northside Australian Business Week program** and our members help to judge the numerous high school teams who compete for this prestigious prize.

Members also assist local schools with **student mentoring** and **business expos** as well as hosting and coordinating annual industry days for teachers in the region.

Recognising that families are a major part of businesses, the Chamber recently launched **BNCC Family Night**. The inaugural event at iFLY Brisbane was a way for members and their families to get together with other members and their families in a safe, fun and relaxed environment.

In 2019 we also began offering our members **hands-on experiences of other businesses** in the region. Working alongside Brisbane Airport Corporation, we held a Brisbane Airport tour and networking evening providing members with a personalised tour of the new runway and surrounding precinct.

Supporting members to make better connections with others as well as with all levels of government is a key part of our work at BNCC. Each year we run a series of **'Maximising Your Membership'** events. These workshops help new members, and those thinking of joining the Chamber, with business development tips and techniques to assist them to make the most out of being a part of BNCC.

Thank you to our major partners

Our major partners are significant contributors to the success, strength and growth of Brisbane North Chamber of Commerce. Through financial and in-kind contributions each partner plays a pivotal role in supporting the work of BNCC.

From self-employed entrepreneurs to major corporations our partner organisations represent a broad cross section of businesses and industries from across the northside of Brisbane.

At BNCC we work alongside our major partners to support, inspire and encourage enterprise throughout the Brisbane North region.

Join us

Membership of Brisbane North Chamber of Commerce is suitable for any business regardless of industry, size or experience. If you are new to business we can help you get connected and offer support and education to help build your business. If you have a successful business with plenty of experience we have an avenue for you to contribute back into and be a key part of the northside business community.

The Brisbane North Chamber of Commerce continues to grow in strength and membership, with our renewed vision of being **“A Business Community Supporting Each Other”**.

Now is your opportunity to become a member of one of the most well regarded Chambers of Commerce in Queensland.

WHAT'S IN IT FOR YOU AND YOUR BUSINESS?

- Free tickets to monthly networking evenings
- Discounted rates to signature events
- Access to a database of hundreds of northside businesses
- Exclusive member to member offers
- Opportunity to have your say on local businesses issues
- Complimentary invitation to the bncc christmas party.

Become a member today.
